If such insurance proceeds exceed the cost of the repair, replacement or reconstruction of such common elements and units, the excess shall be paid by the Insurance Trustee to the owners of the damaged or destroyed units and their respective mortgagees as their interest may appear in shares or proportions equal to the undivided interest appurtenant to each such unit in the common elements. If the insurance proceeds shall be sufficient to pay for the repair, replacement or reconstruction of the damaged or destroyed common elements but shall be insufficient to pay the cost of the repair, replacement or reconstruction of the damaged or destroyed unit or units in such building, the Association shall collect from the unit owners according to each unit owner's proportionate share and deposit such sum with the Insurance Trustee to be applied by the Insurance Trustee toward the total cost of repairing, replacing or reconstructing all of such damaged or destroyed common elements and units. If the insurance proceeds shall be insufficient to pay the cost of the repairs, replacement or reconstruction of the common elements to which the Insurance Trustee is required first to apply such proceeds before applying any part thereof to the repair, replacement or reconstruction of unit(s) the difference between the total cost of repairing, replacing or reconstructing the common elements and the amount of the insurance proceeds shall be collected from the unit owners according to each unit owner's proportionate share by the Association against and in such event, the cost of repairing, replacing or reconstructing the unit or units destroyed or damaged shall be assessed by the Association against and collected from the owner(s) of such damaged or destroyed unit(s).

Deposits to Insurance Trustee After Damage: Within sixty (60) days after a loss or damage to Condominium Property covered by casualty insurance, the Association shall obtain estimates of the cost of repairing, replacing or reconstructing the same including the cost of professional fees and any construction bond which the Board of Administration may require. If, from such estimates, it shall appear that the insurance proceeds payable for such loss or damage will be insufficient to pay the cost of such repair, replacement or reconstruction, the additional money required to pay the total cost thereof, whether it is to be paid by one or more unit owners, shall be deposited with the Insurance Trustee not later than thirty (30) days from the day on which the Insurance Trustee receives the insurance proceeds.

Whether, and the manner in which, any or all of the Condominium Property damaged or destroyed by casualty shall be repaired, reconstructed or replaced, shall be determined as follows:

A. Buildings: If one or more buildings shall be damaged or destroyed, repair or reconstruction thereof or termination of the condominium shall be in accordance with the followings:

1. Total Destruction of all Buildings: If all of the buildings of the Condominium are totally destroyed or are so damaged that no unit therein is habitable, none of the buildings and none of the improvements comprising common

elements shall be reconstructed and the condominium shall be terminated unless the owners of units to which seventy five percent (75%) of the common elements are appurtenant agree in writing within sixty (60) days after the date of such destruction to reconstruct the same and unless the then applicable zoning and other regulatory laws and ordinances shall allow the same to be reconstructed or unless a policy or policies of casualty insurance covering the same shall require reconstruction thereof as a condition precedent to the payment of proceeds thereunder.

2. **Damage to and Destruction of some Buildings:** If some, but not all, of the buildings are damaged and/or destroyed and one or more of the units in one or more of the buildings remain habitable, the damaged or destroyed common elements and/or units shall be repaired or reconstructed so that each building and/or units shall be restored to substantially the same condition as existed prior to such damage or destruction unless within sixty (60) days after the casualty it is determined by agreement in the manner elsewhere herein provided that the condominium shall be terminated.

B. **Common Elements:** Damaged or destroyed improvements constituting part of the common elements shall be repaired, reconstructed and/or replaced unless in the event of total destruction of the units or by agreement after partial destruction, the condominium shall be terminated.

C. **Certificate:** The Insurance Trustee may rely upon a certificate executed by the President and Secretary of the Association to determine whether or not damaged or destroyed Condominium Property shall be repaired or reconstructed.

D. **Plans and Specifications:** Repairs or reconstruction of Condominium Property shall be substantially completed in accordance with the plans and specifications pursuant to which the same was originally constructed; provided, however, that the Board of Administration of the Association may authorize reasonable variations from the original plans and specifications as may appear to them to be necessary or desirable.

In all other cases the Association shall hold such sums so assessed and collected and shall disburse the same in payment of the cost or reconstruction and repair.

2. **Insurance Trustee:** The proceeds of insurance collected on account of a casualty and the sum assessed against and collected from unit owners by the Association and deposited with the Insurance Trustee shall constitute a construction fund which shall be disbursed in payment of the cost of repair and reconstruction in the following manner:

a. **Unit Owner:** The portion of insurance proceeds representing damage for which the responsibility of repair and reconstruction is upon one or more but less, than all unit owners shall be paid by the Insurance Trustee to the affected unit owners and if any of such units are mortgaged, to the

affected and their mortgagees jointly.

b. Association-Lesser Damage: If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is less than Fifteen Thousand Dollars (\$15,000.00), then the construction fund shall be disbursed in payment of such costs upon the order of the Association; provided, however that upon request to the Insurance Trustee by a mortgagee which is a beneficiary of an insurance policy the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner hereinafter provided for the reconstruction and repair of a major damage.

c. Association-Major Damage: If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is more than Fifteen Thousand Dollars (\$15,000.00) then the construction fund shall be disbursed in payment of such costs in the manner required by the Board of Administration of the Association and upon approval of an architect registered to practice in Florida and employed by the Association to supervise the work.

d. Surplus: It shall be presumed that the first monies disbursed in payment of the costs of reconstruction and repair shall be from the insurance proceeds. If there is a balance in the construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners which is not in excess of assessments paid by such owner into the construction fund shall not be made payable to any mortgagee.

e. Certificate: Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit Owners upon assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether disbursement from the construction funds are to be upon the order of the Association or upon approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund nor, to determine the payee nor the amount to be paid, nor to determine whether surplus funds to be distributed are less than the assessment paid by owners. Instead the Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary as to any or all of such matters and stating the sums to be paid are due and property payable and stating the names of the payees and the amount to be paid; provided that when a mortgagee is herein required to be named as payee, the Insurance Trustee shall also name the mortgagee as payee; and further provided that when the Association or a mortgagee which is the beneficiary of an insurance policy, the proceeds of which are included in the construction fund, so requires, the approval of an architect named by the Association shall be first obtained by the Association.

XV. Use Restrictions.

Use of the Condominium Property shall be in accordance with the following provisions so long as the Condominium exists and these restrictions shall be for the benefit of and enforceable by all owners of units in this Condominium.

The use of the Condominium Property shall be in accordance with the following provisions:

A. The foregoing use restriction is hereby declared, reserved and imposed by Developer as an equitable servitude and restrictive covenant running with the Land and each Unit binding upon Developer and all persons claiming by, through or under Developer, for the benefit of and as a limitation and burden upon the

If modification or alteration desired by the Owner of any unit involves the removal of any permanent interior partition, the Association shall have the right to permit such removal so long as the permanent interior partition to be removed is not a load bearing partition, and so long as the removal thereof, would in no manner affect or interfere with the provisions of utility services serving the Condominium or other Office spaces located therein. Alterations not of a structural nature within a unit may be made without the prior written consent of the Association. The installation or removal of non-load bearing partition shall constitute an alteration with a Unit and not an alteration or addition to a unit. Notwithstanding the foregoing, the provision of this paragraph shall not be applicable to Developer.

1. The vertical wall separating one Owner's Unit from the adjacent Owner's Unit shall be referred to as a "Divider Wall". The location of the plane of the center line of the divider wall shall be coincident with the vertical plane which serves as the common boundary between the units. The Developer shall construct the initial divider walls and the approval of the Association, or any other persons or entity shall not be required for the Developer to construct such divider walls. Thereafter a divider wall shall not be removed or constructed by an Owner, except as hereafter provided. In the event a Unit Owner acquires adjoining units or office spaces(s) and a divider wall is no longer intended to serve to separate the adjoining office Spaces, the Owner may remove the divider wall or construct a doorway or passage way through the divider wall or construct a doorway or passage way through the divider wall, but only after having obtained any and all required governmental approvals. The removal of the divider wall or the construction of such a doorway or passage way shall be at Unit's owner's sole cost and expense. In no event may a divider wall be removed or constructed if the structural soundness or integrity of the Building may in any way be effected thereby.

2. No divider wall may be constructed by a Unit Owner without

(a) The Board of Administration's prior written approval, which approval shall not be unreasonably withheld.

(b) and receipt of a building permit issued by the applicable government body, if

required, for the construction. The divider wall shall be constructed so that the vertical plane of its center shall be, to the maximum extent possible, coincident with the vertical plane which serves as the common boundary between the adjoining office spaces. Any construction shall be at the expense of the Unit Owner performing same.

3. The part of the divider wall, whether constructed, by the Developer or adjoining Unit Owners located with the boundary of the Unit shall be part of the Unit. Owners of adjoining Units which share a divider wall shall have a cross easement of support in the portion of the divider wall not located within the boundary of their Unit(s). Maintenance and repair of the divider wall shall be accomplished by the appropriate Owners of the divider wall.

Each owner shall be responsible for any damage caused to a divider wall by its negligence or intentional acts or the negligent or intentional acts of such owner's employees, agents or invitees; and at the cost of said repair may be specifically assessed to the owner as a special charge, in the event such owner fails to repair or reconstruct the divider wall and the Association chooses to make such repair or reconstruction; provided however, the Association shall have no obligation to make such repair or reconstructions.

T. Alterations and/or additions.

1. There will be no alterations and/or additions to the Common Elements or Limited Common Elements appurtenant to Units (excluding normal and necessary maintenance and repair) by anyone other than Developer except as authorized by other provisions of this Declaration or by the Board and approved by not less than seventy-five percent (75%) of the Unit Owners' total votes. The aforesaid alterations or additions may not prejudice the right of any Owner, unless his consent has been obtained. The cost of the foregoing will be specially assessed as a Common Expense or Limited Common Expense. Where any alteration or addition to the Common Elements or Limited Common Elements is exclusively or substantially for the benefit of an Owner requesting same (e.g. the relocation of pipes or electrical conduit incident to the combination of two or more Units), then the cost of such alteration or addition will be assessed against and collected solely for the Owner who exclusively or substantially benefitted, as a Special Charge or as a Special Assessment. The Special Charge or Special Assessment will be levied in such proportions as may be determined by the Board of Administration to be fair and equitable. Where such alterations or additions exclusively benefit Owners requesting same, said alterations or additions will only be made when authorized by the Board, and approved by not less than

seventy five percent (75%) of the total votes of Owners exclusively or substantially benefiting therefrom.

Notwithstanding anything in this Declaration to the contrary, the Board of Administration shall have the right, but not the obligation, to permit the Owner of a Unit, at his expense, to install additional windows or doorways or other type apertures to such Owner's Unit or to seal up previously existing windows, doorways or other type apertures to such Owner's Unit, any of which apertures are located in or would be located in a Common Element wall which is a boundary to such Owner's Unit; provided, however, that such new aperture or sealing up of an existing aperture would in no way affect the structural integrity or soundness of the Building consistent with the architectural design and aesthetic appearance of the Building. The Board's approval, if granted, shall be in writing and shall be upon such terms and conditions as the Board shall determine in its sole and absolute discretion, and the approval of Unit Owners or any mortgagees, other than the Unit Owner requesting the alteration and the mortgagee of said Owners' Unit, if any, shall not be required, except as long as Developer owns a Unit in the Condominium, Developer's approval shall also be required. The cost and expense of such alteration, if approval is given pursuant to this subparagraph 2 to make such alterations, shall be borne exclusively by the Unit Owner requesting the alteration, and the cost and expense thereof, at the sole discretion of the Board, shall be paid for in advance by the applicable Unit Owner or shall be levied as a Special Charge against the Unit Owner's Office Space and the Unit(s) comprising same or said Unit Owner may pay for same by written agreement with the Association as solely determined by the Association. Notwithstanding the foregoing, the Board shall have the right to allow the Unit Owner requesting such alteration, or his contractors (which contractors are subject to approval by the Board and Developer so long as Developer owns any Unit), to make the alteration, upon such terms and conditions as set by the Board, in its sole and absolute discretion, or the Board may elect to perform such alterations; provided, however, that the Unit Owner shall pay for the alterations in advance or if the Unit Owner is permitted to perform the work by the Association, then an amount sufficient to cover that cost of the work as reasonably determined by the Association and the cost of the survey and attorneys' fees for preparation of the amendment hereinafter referred to shall be deposited with the Association to be used to pay for the aforesaid items. Notwithstanding anything in this subparagraph to the contrary, the terms and provisions of this subparagraph which require the approval by the Board of any other Unit Owner or any mortgagee or any deposit of funds with the Association shall be inapplicable to Developer, where Developer elects to make any alterations as described in this subparagraph, as hereinabove provided in the paragraph, need only be executed by Developer and the mortgagee of the applicable Unit affected, if any, and by no other person or entity whatsoever. Developer shall perform the work contemplated by this subparagraph and not the Association where such alteration affects a Developer owned Unit(s). Notwithstanding anything in this subparagraph to the contrary, no alterations as contemplated by this subparagraph shall be made if such alteration would alter the fractional or percentage shares of Common Elements, Common Expenses, and Common Surplus appurtenant to any Unit.

V. Each Unit Owner, other than Developer to the extent permitted by law, agrees as follows:

1. To be responsible for and to maintain in good condition and repair his Unit appurtenant thereto, ordinary or extraordinary, including, without limitation, maintenance, repair and replacement of the interior side of the entrance door and all other doors within or affording access to a Unit, and the electrical, plumbing, heating and air-conditioning equipment, fixtures and outlets, if any, lying within the boundaries of the Unit or belonging to the unit Owner, at Owner's sole cost and expense, except as otherwise expressly provided to the contrary herein, and to do so in accordance with the original plans

and specifications therefor or as otherwise directed by the Association.

2. To share the cost of maintenance and repair of Limited Common Elements appurtenant to more than one Unit, by multiplying said cost by a fraction, the numerator of which shall be the Unit's percentage ownership of the Common Elements and the denominator of which shall be the total of the percentages of ownership of the Common Elements of all Units required by this Declaration to maintain and repair such Limited Common Elements the result being each Unit's share of such cost.

W. Y. Notwithstanding anything to the contrary contained herein, any Unit Owner owning two or more adjoining Units may remove non-load bearing partitions between some or all of said Units without the prior written consent of the Association; provided, however, (a) all costs related thereto shall be borne by such Unit Owner, (b) any Mortgagees of Record holding mortgages encumbering said Units shall consent in writing to such removal, if required, pursuant to Florida Statute 718.110(11) and such consent may not be unreasonably withheld, (c) such removal shall not necessitate relocation of utility lines, and (d) all applicable building and fire codes are complied with. In the event utility lines must be relocated, such partition removal shall be subject to the written consent of the Association and any other Unit Owners adversely affected by the relocation of said lines. As elsewhere provided herein, the removal of said partitions shall not affect the Unit's shares in the Common Elements and Common Surplus, their percentage interest in the Common Elements nor their voting rights.

Z. To maintain the hallway partition walls described in Article VI(C)(3).

AA In the event the Unit Owner of a Unit fails in his maintenance obligations as set forth herein, or makes an alteration without the required written consent, or otherwise violates or threatens to violate the provisions hereof, the Association shall have the right to proceed in a court of equity for an injunction to seek compliance with the provisions hereof. In lieu thereof and in addition thereto, the Association shall have the right to levy an Assessment against the Unit Owner and the Unit for such necessary sums to remove any unauthorized addition or alteration and to restore the Unit, Common Elements, or Limited Common Elements to good condition and repair. Said Assessments shall have the same force and effect as all other Special Assessments and the Association shall have a lien on the Unit to enforce same and for the reasonable collection costs and attorneys' fees incident thereto. The Association shall have the further right to have its employees or agents or any subcontractors appointed by it enter a Unit at all reasonable times to do such work as is deemed necessary by the Association to enforce compliance with the provisions thereof.

BB The Association shall determine the exterior color scheme of the Building and all exterior and interior Common Elements or Limited Common Elements. No Unit Owner shall paint an exterior wall, door, window, or any common area, or install window treatments or replace anything thereon or affixed thereto without the Association's written consent.

CC. The location, size, color and letter size of all individual signs shall be as

approved by Developer so long as it controls the Board of Administration and, thereafter, by the Association. Developer shall have the right, so long as it controls the Board of Administration, to sell and/or assign sign locations within the Condominium Property. No other signs, except as permitted herein, shall be allowed in any location or type without prior written approval of the Association. Such approval by Developer or the Association may not be revoked once it has been granted.

DD. Except to the extent (1) expressly provided to the contrary herein, or (2) proceeds of insurance are made available therefor, all maintenance, repairs and replacements of, in or to the Common Elements (other than the Limited Common Elements as provided herein) shall be performed by the Association as provided in this Declaration and the cost and expense thereof shall be charged to all Unit Owners as a Common Expense, except to the extent arising from or necessitated by the negligence, misuse or neglect of specific Unit Owners, in which case such cost and expense shall be paid solely by (and specially assessed against) such Unit Owners.

XVI. Compliance and Default.

Each unit owner shall be governed by and shall comply with the terms of the Declaration of Condominium, the Articles of Incorporation and Bylaws of the Association and any and all regulations adopted pursuant thereto, as they may be amended from time to time. Failure of the unit owner to comply therewith shall entitle the Association or other unit owner to the following relief in addition to the remedies provided by the Condominium Act:

A. Negligence: A unit owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness or by that of any member of his family, or his or their guests, employees, agents, lessees or other invites.

B. Costs and Attorney's Fees: In any proceeding arising because of an alleged failure of a unit owner to comply with the terms of the Declaration, the Articles of Incorporation and the Bylaws of the Association, any and all regulations adopted pursuant thereto, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees as may be awarded by the court.

C. No Waiver of Rights: The failure of the Association or any unit owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration of Condominium, the Articles of Incorporation and Bylaws of the Association or the regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

XVII. Assessments: Liability, Lien and Enforcement.

To provide the funds necessary for proper operation and management of the Condominium, the Association has been granted the right to make, levy and collect assessments against the owners of all units and said units. The following provisions shall govern the making, levying and collection of such assessment and the payment of the costs and expenses of operating and managing the Condominium by the Association.

A. Determination of Assessments: Assessments by the Association, against each owner of a unit and his unit shall be a fractional share of the total assessment to be made against all owners of unit and their units as is set forth in the Schedule annexed thereto and made a part hereof as Exhibit "3". Should the Association become the owner of any units, the assessment which is due shall be paid by the Association.

B. Time for Payment: The assessment levied against the owner of each unit and his unit shall be made not less frequently than quarterly in an amount which is not less than that required to be provided funds in advance for payment of all of the anticipated current

operating expenses and for all of the unpaid operating expenses previously incurred.

C. Annual Budget: The Board shall, in accordance with the Bylaws of the Association, establish an Annual Budget in advance for each fiscal year, which shall correspond to the calendar year, which shall estimate all expenses for the forthcoming year required for the proper operation, management and maintenance of the Condominium including when deemed necessary or advisable by the Board, a reasonable allowance for contingencies and reserves and shall estimate all income to be collected during the year. Upon adoption of each annual budget by the Board, copies thereof shall be delivered to each unit owner and the assessment for the year shall be based upon such Budget. Failure to receive a copy of the budget to a unit owner shall however not affect the liability of such owner for such assessment. Should the Board at any time and from time to time determine in the sole discretion of the Board, that the Assessment levied are or may prove to be insufficient to pay the cost of operation and management of the Condominium or in the event of emergency, the board shall have the authority to levy such additional assessment as it shall deem to be necessary.

The proposed annual budget of common expenses shall be detailed and shall show the amounts budgeted by accounts and expense classifications, including, if applicable, but not limited to, those expenses listed in section 718.504(20), Florida Statutes. In addition, if the association maintains limited common elements with the cost to be shared only by those entitled to use the limited common elements as provided for in section 718.113(1), Florida Statutes, the budget or a schedule attached thereto shall show amounts budgeted therefor.

In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance. These accounts shall include, but are not limited to, roof replacement, building painting, and pavement resurfacing, regardless of the amount of deferred maintenance expense or replacement cost, and for any other items for which the deferred maintenance expense or replacement cost exceeds \$10,000. The amount to be reserved shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of each reserve item. The association may adjust replacement reserve assessments annually to take into account any extension of the useful life of a reserve item caused by deferred maintenance. This subsection does not apply to budgets in which member of an association have, by a majority vote at a duly called meeting of the association determined for a fiscal year to provide no reserves or reserves less adequate than required by this subsection. However, prior to turnover of control of an association by a developer to unit owners other than a developer pursuant to section 718.301, Florida Statutes, the developer may vote to waive the reserves for the first two years of the operation of the association, after which time reserves may only be waived or reduced upon the vote of a majority of nondeveloper voting interests present at a duly called meeting of the association. If a meeting of the unit owners has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves as included in the budget shall go into effect.

D. General Operating Reserve: The Board, when establishing each annual budget, may when deemed necessary or desirable, include therein a sum to be collected and maintained as a general operating reserve to provide a measure of financial stability during periods of special stress when such sums may be used to meet deficiencies from time to time existing as a result of delinquent payments of assessment by owners of units, as a result of emergencies or for other reasons placing financial stress upon the Association.

E. Use of Association Funds: All monies collected by the Association shall be treated as the separate property of the Association and such monies may be applied by the Association to the payment of any expense of pertaining and managing the condominium or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and Bylaws and as monies for annual assessments are paid to the Association by any unit owner, the same may be commingled with monies

paid to the Association by the other owners of units, but separate ledgers must be maintained for each account. However, reserves and operating funds of the association shall not be commingled. Although all funds and other assets of the Association and any increments thereto or profits derived therefrom, or from the leasing or use of common elements including without limitation Common Surplus, shall be held for the benefit of members of the Association. No member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his unit.

F. Delinquency or Default: The payment of any assessment or installment hereof due to the Association shall be in default if not paid to the Association on or before the due date thereof. This rate may not exceed the rate allowed by law, and, if no rate is provided in the declaration, interest shall accrue at the rate of 18 percent per year. Also, if the declaration or bylaws so provide, the association may charge an administrative late fee in addition to such interest, in an amount not to exceed the greater of \$25 or 5 percent of each installment of the assessment for each delinquent installment that the payment is late.

G. Personal Liability of Unit Owner: The owner of each unit shall be personally liable, jointly and severally, as the case may be, to the Association for the payment of all assessment or installments, late charges thereof as above provided and for all costs of collecting the assessments and interest thereon, including attorney's fees, whether suit be brought or not, levied or otherwise coming due while such person or entity owns a unit.

H. Liability not Subject to Waiver: No owner of a unit may except himself from liability for any assessment levied against such owner and his unit by waiver of the use or enjoyment of any of the common elements or by abandonment of the unit or in any other manner.

I. Lien for Assessment: A unit owner, regardless of how his title has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all assessments which come due while he is the unit owner. Additionally, a unit owner is jointly and severally liable with the previous owner for all unpaid assessments that came due up to the time of transfer of title. This liability is without prejudice to any right the owner may have to recover from the previous owner the amounts paid by the owner. A first mortgagee who acquires title to the unit by foreclosure or by deed in lieu of foreclosure is liable for the unpaid assessments that became due prior to the mortgagee's receipt of the deed. However, the mortgagee's liability is limited to a period not exceeding six (6) months, but in no event does the first mortgagee's liability exceed one percent (1%) of the original mortgage debt. The first mortgagee's liability for such expenses or assessments does not commence until thirty (30) days after the date the first mortgagee received last payment of principal or interest. In no event shall the mortgagee be liable for more than six (6) months of the unit's unpaid common expenses or assessments accrued before the acquisition of the title to the unit by the mortgagee or one percent (1%) of the original mortgage debt, whichever amount is less.

The liability for assessments may not be avoided by waiver of the use or enjoyment of any common element or by abandonment of the unit for which the assessments are made. Assessments and installments on them which are not paid when due bear interest at the rate provided in the declaration, from the due date until paid. This rate may not exceed the rate allowed by law, and, if no rate is provided in the declaration, interest shall accrue at the rate of 18 percent per year. Also, if the declaration or bylaws so provide, the association may charge an administrative late fee in addition to such interest, in an amount not to exceed the greater of \$25 or 5 percent of each installment of the assessment for each delinquent installment that the payment is late. Any payment received by an association shall be applied first to any interest accrued by the association, then to any administrative late fee, then to any costs and reasonable attorney's fees incurred in collection, and then to the delinquent assessments. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment. A late fee shall not be subject to the provisions in chapter 687 or section 718.303(3), Florida Statutes.

The association has a lien on each condominium parcel for any unpaid assessments with interest and for reasonable attorney's fees incurred by the association which are incident to the collection of the assessments or enforcement of lien. Except as set forth below, the lien is effective from and shall relate back to April 1, 1992, or the recording of the original declaration of condominium, whichever shall last occur. In the case of lien on a parcel located in a phase condominium created pursuant to section 718.403, Florida Statutes, the lien is effective from and shall relate back to April 1, 1992, or the recording of the declaration or amendment thereto creating the parcel, whichever shall last occur. However, as to first mortgages of record, the lien is effective from and after recording of a claim of lien. The lien shall be recorded in the public records in the county in which the condominium parcel is located which states the description of the condominium parcel, the name of the record owner, the name and address of the association, the amount due, and the due dates. No such lien shall continue for a longer period than 1 year after the claim of lien has been recorded unless, within that time, an action to enforce the lien is commenced in a court of competent jurisdiction. The claim of lien shall secure all unpaid assessments, interests, costs, and attorney's fees which are due and which may accrue subsequent to the recording of the claim of lien and prior to entry of a final judgement of foreclosure. A claim of lien must be signed and acknowledged by an officer or agent of the association. Upon payment, the person making the payment is entitled to a satisfaction of the lien.

The association may bring an action in its name to foreclose a lien for assessments in the manner a mortgage of real property is foreclosed and may also bring an action to recover a money judgement for the unpaid assessments without waiving any claim of lien. The association is entitled to recover its reasonable attorney's fees incurred in either a lien foreclosure action or an action to recover a money judgement for unpaid assessments.

No foreclosure judgements may be entered until at least 30 days after the association gives written notice to the unit owner of its intention to foreclose a lien to collect the unpaid assessments. If this notice is not given at least 30 days before the foreclosure action is filed, and if the unpaid assessments, including those due after the claim of lien is recorded, are paid before the entry of a final judgement of foreclosure, the association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the unit owner or by certified or registered mail, return receipt requested, addressed to the unit owner at his last known address; and, upon such mailing, the notice shall be deemed to have given, and the court shall proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this subsection are satisfied if the unit owner records a Notice of Contest of Lien as provided in subsection (5). The notice requirements of this subsection do not apply if an action to foreclose a mortgage on the condominium unit is pending before any court; if the rights of any association would be affected by such foreclosure; and if actual, constructive, or substitute service of process has been made on the unit owner.

If the unit owner remains in possession of the unit after a foreclosure judgement has been entered, the court, in its discretion, may require the unit owner to pay a reasonable rental for the unit. If the unit is rented or leased during the pendency of the foreclosure action, the association is entitled to the appointment of a receiver to collect the rent. The expenses of the receiver shall be paid by the party that does not prevail in the foreclosure action.

The association has the power to purchase the condominium parcel at the foreclosure sale and to hold, lease, mortgage, or convey it.

A first mortgage acquiring title to a condominium parcel as a result of foreclosure, or a deed in lieu of foreclosure, may not, during the period of ownership of such parcel, whether or not such parcel is unoccupied, be excused from payment of some or all of the common expenses coming due during the period of such ownership.

Within fifteen (15) days after a request therefor by unit owner or unit mortgagee,

the association shall provide a certificate stating all assessments and other moneys owed to the association by the unit owner with respect to the condominium parcel. Any person other than the owner who relies upon such certificate shall be protected thereby.

No unit owner may be excused from the payment of his share of common expenses of a condominium unless all unit owners are likewise proportionately excused from payment, except:

No Funds from purchasers or owners and payable to the association or collected by the developer on behalf of the association, other than regular periodic assessments for common expenses as provided in the declaration and disclosed in the estimated operating budget pursuant to section 718.503(2)(f), Florida Statutes, or section 718.504(20)(b), Florida Statutes, shall be used for payment of common expenses prior to the expiration of the period during which the developer or the other person is so excused. The restriction applies to funds including, but not limited to, capital contributions and startup funds collected from unit purchasers at closing.

The specific purpose or purposes of any special assessment approved in accordance with the condominium documents shall be set forth in a written notice of such assessment sent or delivered to each unit owner. The funds collected pursuant to a special assessment shall be used only for the specific purpose or purposes set forth in such notice. However, upon completion of such specific purpose or purposes, any excess funds will be considered common surplus, and may, at the discretion of the board, either be returned to the unit owners or applied as a credit toward future assessments.

The Association is hereby granted a lien upon each unit and its appurtenant undivided interest in common elements and upon any exclusive right to use any parking space or limited common elements appurtenant to any such unit, which lien shall and does secure the monies due for all: (1) assessment levied against the unit and owner thereof; (2) interest, if any, which may become due on delinquent assessment owing to Association; (3) costs and expenses, including reasonable attorney's fees which may be incurred by the Association in enforcing its lien upon the unit and its appurtenances. The lien granted to the Association may be established and foreclosed in the Circuit Court in and for Dade County, Florida, and in any suit for the foreclosure of said lien the Association shall be entitled to rental from the owner of the unit from the date on which the payment of any assessment or installment thereof became delinquent and shall be entitled to the appointment of a Receiver for said unit.

The lien of the Association shall be effective from and after recording in the Public Records of Dade County, Florida, a claim of lien stating the description of the unit encumbered thereby, the name of the record owner, the name and address of the association, the amount and the date when due and shall continue in effect until one year of the date of the Lien. Such claims of lien shall include only assessment which are due and payable when the claim of lien is recorded plus interests, costs, and attorney's fees. Such claims of lien, shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record. The lien of the Association shall be subordinated to the lien of any mortgage or any other lien recorded prior to the time of recording the Association's claim of lien.

J. Effect of Voluntary Transfer: When the owner of any unit proposes to lease, sell or mortgage the same in compliance with other provisions of this Declaration, the Association upon written request of the owner of such unit, shall furnish to the proposed lessee, purchaser or mortgagee a statement verifying the status of payment of any assessment which shall be due and payable to the Association by the owner of such unit. Such statement shall be executed by any officer of the Association and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction and the Association shall be bound by such statement.

In any voluntary conveyance of a unit, the grantee shall be jointly and severally liable

with the grantor for all unpaid assessment against the grantor made prior to the time of such voluntary conveyance, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefore.

Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessments shall not be deemed to be an election by the Association which shall prevent its thereafter seeking enforcement of the collection of any sums remaining owing to it by foreclosure, nor shall proceeding by foreclosure to attempt to effect such collection be deemed to be an election precluding the institution of suit at law to attempt collection of any sum then remaining owing to it.

XVIII. Registry of Owners and Mortgagees.

The Association shall at all times maintain a Register of the name of the owners and mortgagees of all units. Upon the transfer of title to any unit, the transferee shall notify the Association in writing of his interest in such unit together with recording information identifying the instrument by which such transferee acquire his interest in the unit. The owner of each unit encumbered by a mortgage shall notify the Association of the name and address of the mortgagee, the amount of such mortgage or mortgages and the recording information identifying the same. The holder of any mortgage encumbering a unit may notify the Association of any such mortgages and upon receipt of such notice the Association shall register in its records all pertinent information pertaining to the same.

XIX. Termination.

The Condominium may be terminated in the following manner in addition to the manner provided by the Condominium Act, except as stated in Article XXIII of the Declaration:

A. Destruction: In the event it is determined in the manner elsewhere herein provided that the improvements shall not be reconstructed because the total destruction or major damage, the condominium plan of ownership will be thereby terminated without agreement.

B. Agreement: The condominium may be terminated at any time by the approval in writing of all the owners of units in the condominium and by all record owners of mortgages upon units therein owned by institutional lenders and other mortgages approved by institutional lenders and other mortgages approved by the Association. If the proposed termination is submitted to a meeting of the members of the Association, the notice of which meeting of the members of the Association, the notice of which meeting gives notice to the proposed termination, and if the approval of the owners of units in the condominium to which not less than seventy-five percent (75%) of the common elements are appurtenant and of the record owners of all mortgages upon units in the condominium owned by institutional lenders and other mortgages approved by the Association are obtained not later than thirty (30) days from the date of such meeting, the approving owners shall have an option to buy all of the units of the other member of the Association for the period ending the sixtieth (60th) day from the date of such meeting. Such option shall be upon the following terms:

1. Exercise of Option: The option shall be exercised by delivery or mailing by certified mail to each of the record owners of the units to be purchased of any agreement to purchase signed by the record owners of units who will participate in the purchase. Such agreement shall indicate which units will be purchased by each particular owner and shall agree to purchase of the unit owners not approving the termination, but the agreement shall effect a separate contract between each seller and his purchaser.

2. Price: The sale price for each unit shall be the fair market value

determined by agreement between the seller and purchaser within thirty (30) days from the delivery or mailing of such agreement and in the absence of agreement as to price, it shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the unit; and judgment of specific performance of the sale upon award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

3. Payment: The purchase price shall be paid in cash.

4. Closing: The sale shall be closed within thirty (30) days following the determination of the sale price.

C. Certificate: The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by its President and Secretary, certifying as to the facts effecting the termination which certificate shall become effective upon being recorded in the Public Records of Dade County, Florida.

D. Shares of Owners After Termination: After termination of the condominium the unit owners shall own the condominium property and all assets of the Association as tenants in common in undivided shares and their respective mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of the unit owners. Such undivided shares of the unit owners shall be the same as the undivided shares in the common elements appurtenant to the unit owner's prior to the termination as set forth in Exhibit "4" hereto.

E. Amendment: This article shall not be amended without consent of four-fifths (4/5) of the voting interest.

XX. Rights of Developer to Sell or Lease Units and Amend this Declaration.

So long as Developer, or any mortgages succeeding Developer in title, shall own any unit, it shall have the absolute right to lease, or sell any such unit to any person, firm or corporation upon any terms and conditions as it shall deem to be in its own best interest and as to the lease or sale of such unit, the right of first refusal and any right of redemption herein granted to the Association shall not be operative or effective in any manner.

The Developer reserves the right to amend this Declaration in order to change the size and/or type of units and/or buildings before recording this Declaration in the Public Records of Dade County, Florida.

XXI. Grant of Easements; Covenant running with the Land and Conveyance to Trustee.

The Developer hereby grants a non-exclusive easement to be used and enjoyed in common by the owners, lessees, tenants and occupants of units to be constructed in the Condominium for the following purposes:

A. The furnishings and maintenance of public utility services, over, across, upon, in and through the entire parcel known as Caribbean Warehouse Center Condominium Association Inc.

B. Vehicular and pedestrian access over, across, upon, in and through the drives, entries, gates, walks, grounds and other portions as they are intended and/or provided for pedestrians and vehicular traffic through the entire parcel known as Caribbean Warehouse Center Condominium.

C. **Support:** An easement of support and of necessity is reserved for the benefit of each Unit and the Common Elements and each Unit shall be subject to an easement of support and necessity in favor of all other Units and the Common Elements.

D. **Encroachments:** An easement is created for the existence and maintenance of any encroachment (i) by any portion of the Common Elements upon any Unit, (ii) by any Unit (or Limited Common Elements appurtenant thereto) upon any other Unit or upon any portion of the Common Elements, or (iii) occurring as a result of (A) construction of the Improvements, (B) settling or shifting of the Improvements, (C) any alteration or repair to the Common Elements made by or with the consent of the Association, or (D) any repair or restoration to the Improvements or any Unit after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings. Such easements shall continue for so long as the Improvements shall stand.

E. **Construction; Maintenance:** Developer (including its designees, contractors, successors and assigns) shall have the right, in its sole discretion, from time to time, to enter the Condominium Property and take all necessary action to construct, rebuild and restore the units by virtue of fire and casualty.

F. **Further Easements:** The Association shall have the right and authority at any time by action of its Board to dedicate, convey or grant easements and execute and deliver bills of sale or warranty deeds or execute such other documents as may be necessary, or do any or all of the foregoing in connection with the water and sewage distribution and facilities located on or under the Condominium property. The foregoing shall be for the purpose of conveying, dedicating or granting easements to the appropriate municipal authorities for said water and sewage distribution system and facilities so that such authorities will maintain and operate the said water and sewage distribution system and facilities.

G. **Easement Savings Clauses:** An easement, whether heretofore or hereafter created under and pursuant to this Declaration of Condominium shall constitute a covenant running with the land of the Condominium, and, notwithstanding any other provisions of this Declaration, may not be substantially amended or revoked in such a way as to unreasonably interfere with the proper and intended use and purpose and shall survive the termination of the Condominium. The Unit Owners of this Condominium do hereby designate the Association acting through its Board as their lawful attorney-in-fact to execute any and all instruments on their behalf for the purposes of creating all such easements as are contemplated by the provisions hereof.

H. Developer hereby reserves unto and for the benefit of itself, the Association, Owners and contractors, an irrevocable and perpetual easement running with the Land and right to use over, in and through each and every Unit for access to any and all common elements near, adjacent to or contiguous to the Unit in order to complete construction, equipping, finishing and decorating the interior of any other Unit. Any person exercising this easement right will make reasonable efforts to exercise such right in and through a Unit which is owned by a party other than the person exercising the right in a manner so as not to disturb unreasonably the occupancy and use of the Unit by such party; provided, however, developer will have the sole and absolute discretion to determine the reasonableness of the use of such easement rights in order not to delay or hinder the completion of construction, equipping, finishing, furnishing or decorating of the interior of any interior of any unit, and subject to the discretion of Developer, the board may establish rules and/or regulations applicable to all Unit Owners or on an individual ad hoc basis limiting the times and the manner in which the easement rights hereunder may be exercised. Any person exercising the easement rights hereunder shall be liable for any damage caused by such person to a Unit that is not owned by such person.

XXII. Condemnation.

A. **Deposit of Awards with Insurance Trustee:** For purposes of this Declaration, the taking of portions of the condominium property by the exercise of the power of eminent

domain or purchase in lieu thereof ("Taking") shall be treated as a casualty. The awards for a Taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee even if the awards may be payable to Unit Owners. If any Unit Owner fails to deposit the award with the Insurance Trustee, the Board of Directors, in its discretion, may impose Special Assessments according to each unit owner's proportionate share against a defaulting Unit Owner in the amount of the Owner's award, or the amount of that award may be set off against the sums hereafter made payable to that owner.

B. **Determination Whether to Continue Condominium:** The determination whether or not to continue the Condominium will be made in the manner provided for determining whether damaged property will be reconstructed and repaired after casualty.

C. **Disbursement of Funds:** If the Condominium is terminated after a Taking, the proceeds of the awards and special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds as if the Condominium is terminated after a casualty; If the Condominium is not terminated after a Taking, the size of the Condominium will be reduced and the property damaged by the Taking will be made usable in the manner provided below. The proceeds of the awards and Special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds after a casualty by the Insurance Trustee unless elsewhere provided in this Article.

D. **Unit Reduced but Habitable:** If the Taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of the Board of Directors of the Association), the award for the Taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

1. **Distribution of Surplus:** The balance of the award for the Unit, if any, shall be distributed to the Owner and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and such mortgagees.

2. **Adjustment of Shares in Common Elements:** If the floor area of the Unit is reduced by the Taking, the percentage representing the share in the Common Elements, the Common Expenses and Common Surplus attributable to the Unit shall be reduced by multiplying the percentage of the applicable Unit prior to reduction by a fraction, the numerator of which shall be the area in square feet of the Unit after the Taking and the denominator of which shall be the area in square feet of the Unit before the Taking. The shares of all Unit Owners in the Common Elements, Common Expenses and Common Surplus shall then be restated as follows:

a. add the total of all percentages of all Units after reduction as aforesaid (the "Remaining Percentages Balance"); and

b. divide each percentage for each Unit after reduction as aforesaid by the Remaining Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

E. **Unit Uninhabitable:** If the Taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in the sole opinion of the Board of Directors of the Association), then the award for the Taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

1. **Payment of Award:** The award for the Taking shall be paid to the

extent available: first, to the applicable Institutional First Mortgagees in amounts sufficient to pay off their mortgages in connection with each Unit which is not so habitable; second, to the Association for any due and unpaid Assessments; third, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions for a specific Unit exceed the market value of such Unit immediately prior to the Taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.

2. **Addition to Common Elements:** The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible for use by all of the Unit Owners in the manner approved by the Board of Directors. If the cost of such work shall exceed the balance remaining of the fund from the award for the Taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.

3. **Adjustment of Shares:** The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares among the reduced number of Unit Owners (and among reduced Units) as follows:

a. add the total of all percentages of all Units of continuing Owners prior to this adjustment, but after any adjustments made necessary by Section D(3) (the "Percentage Balance"); and

b. divide the percentage of each Unit of a continuing Owner prior to this adjustment, but after any adjustments made necessary by Section D(3), by the Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

4. **Assessments:** If the balance of the award for the Taking (after payments to the Unit Owner and such Owner's mortgagees as above provided) is not sufficient to alter the remaining portion of the Unit for use as part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners after the changes in the Condominium effected by the Taking. The Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected by reason of the Taking.

5. **Arbitration:** If the market value of a Unit prior to the Taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within thirty (30) days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Unit Owners, including Owners who will not continue after the Taking, in proportion to the applicable percentage shares of such Owners as they exist prior to the adjustment to such shares affected by reason of the Taking.

6. **Taking of Common Elements:** Awards for the Taking of Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors. If the cost of such work shall exceed the balance of the funds from the awards for the Taking, the work shall

be approved in the manner elsewhere required for capital improvements to the Common Elements, if any shall be distributed to the unit Owners in proportion to the shares in which they own the Common Elements after adjustments to these shares by reason of the Taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the mortgagees of the Unit.

7. Amendment of Declaration: The changes in Units, the Common Elements and in the ownership of the Common Elements and the adjustment to the shares in the Common Expenses and Common Surplus that are effected by the Taking shall be evidenced by an amendment to this Declaration approved by, and executed at the direction of, a majority of the Board.

XXIII. Developers Tenants.

It is understood and agreed by all parties hereto and all unit owners that certain units may be occupied by tenants of the Developer under lease agreements heretofore or hereinafter consummated and agreed upon. Accordingly, Developer reserves the right to initiate a leasing program, or lease with option to purchase program, or any combination thereof with respect to condominium parcels owned by it. Any such tenants of Developer shall have the full right and authority to continue to occupy said premises in accordance with their lease agreements and to use and enjoy on a non-exclusive basis all common elements of the Condominium.

XXIV. Warranties.

The developer does not warrant to the Association or the Unit Owners the construction of, or any part of, the condominium property, common elements or Units, save and except any express written warranties delivered by the Developer in writing to the Unit Owners and/or warranties provided for under Florida Statutes. To the maximum extent allowed by law, Developer disclaims any and all implied warranties of merchantability and fitness as to the unit, building and such appurtenances upon the condominium property.

As to any implied warranty which cannot be disclaimed entirely, as a result of federal or state law, all secondary incidental and consequential damages are specifically excluded and disclaimed (claim of secondary, incidental and consequential damages being clearly unavailable in the case of implied warranties which are disclaimed entirely above.)

The foregoing disclaimer does not, however, extend to and is not a limitation upon any implied warranties otherwise conferred as to personalty or appliances supplied by Developer constituting consumer products that are within the purview of the status granting the same.

In the event a competent court of law decides any disclaimer hereunder to be ineffective the parties agree that any action brought under warranty must be brought within one (1) year from the date of issuance of a temporary certificate of occupancy as to the building themselves and the common elements (excluding the Unit) and as to the Unit, within a period of one (1) year from the date of Purchasers closing hereunder.

XXV. Sales Activity and Developer's Rights.

Until the Developer has completed and sold all the Units of the Condominium and the Developer and/or any third party developer or developers have completed and marketed all other dwellings to be constructed, neither the Unit Owners nor the Association nor their use of the Condominium shall interfere with the completion of the contemplated improvements and the sale of Units. The Developer (or its duly authorized agents or assigns) may make such use of the unsold Units and the common elements as may facilitate such completion and sale, including, but not limited to, the maintenance of sales offices for the showing of the property and display of signs, billboards, placards, and visual promotional

materials. The Developer may use unsold Units as model Units or as sales offices for display purposes to prospective condominium purchasers. The Developer shall have the right to use unassigned parking spaces upon the lands for the Condominium or the Complex itself for prospective purchasers and such other parties as Developer determines. The sales office personal property, model furnishings, signs and all items pertaining to sale shall not be considered common elements and shall remain the property of the Developer.

XXVI. Miscellaneous.

A. Severability: The invalidity in whole or in part of any covenant or restriction or any Article, sub-article, sentence, clause, phrase or word, or other provisions of this declaration, the articles of incorporation and bylaws of the Association and the rules and regulations set forth by the Association shall not affect the validity of the remaining portions thereof.

B. Applicability of Declaration of Condominium: All present or future owners, tenants or any other persons who might use the facilities of the condominium in any manner, are subject to the provisions of this declaration and the mere acquisition or rental of any unit, nor the mere act of occupancy of any unit shall signify that the provisions of this Declaration of Condominium are accepted and ratified in all respects.

D. Parties Bound: The restrictions and burdens imposed by this Declaration are intended to and shall constitute covenants running with the land and shall constitute an equitable servitude upon each unit and its appurtenant undivided interest in common elements and this Declaration shall be binding upon developer, its successors and assigns and upon all parties who may subsequently become owners of units in the condominium and their respective heirs, legal representatives, successors and assigns.

E. Right of access to units: The Association has the irrevocable right of access to each unit during reasonable hours, when necessary for the maintenance, repair, or replacement of any common elements or of any portion of a unit to be maintained by the Association pursuant to the declaration or as necessary to prevent damage to the common elements or to a unit or units.

F. All amenities and/or facilities associated with this project are owned outright by the Association.

G. Developer hereby reserves unto and for the benefit of itself, its directors, officers, employees and agents, for as long as Developer owns a Unit, an irrevocable easement and right of use of, over and across the Common Elements and Limited Common Elements in order to develop the Condominium Property and carry on a sales and marketing program of Units, including the right to carry on and complete construction of improvements thereof, place signs store construction equipment park vehicles and show common elements and units to any prospective purchaser of a unit.

H. The Association agrees to indemnify and hold Developer harmless from and against any and all claims, suits, actions, causes of actions, and/or damages arising from any suits, actions, loss of life and/or damage to property sustained on or about the Condominium Property and from and against all cost, expenses, counsels fees, expenses and liabilities incurred by Developer of any action or proceeding brought thereof, and from and against any order, judgements, and/or decrees which may be entered thereon. The Association also agrees to indemnify developer for any expense and reasonable attorney's fees that Developer may incur in bringing any suit or action, if Developer prevails in such action for the purposes of enforcing Developer's rights under this Declaration for compelling the specific enforcement of the terms and conditions contain herein to be kept or performed by the Association or Unit Owners. The costs and expenses of fulfilling the covenants of

indemnification set forth in this paragraph shall be a Common Expense. Articles of Incorporation
of
Caribbean Warehouse Center Condominium Association Inc.
(a Florida corporation not for profit)

In order to form a corporation not for profit under the laws of the State of Florida, we, the undersigned, do hereby associate ourselves into a corporation for the purposes herein specified and to that end we do by these Articles of Incorporation set forth:

ARTICLE I

The name of the corporation shall be Caribbean Warehouse Center Condominium Association, Inc., hereinafter referred to as the "Association."

ARTICLE II

The purpose and objectives of the Association shall be to administer the operation and management of Caribbean Warehouse Center Condominium (the "Condominium") in accordance with the Florida Condominium Act (the "Act") upon land situated in Dade County, Florida described in Exhibit "A" attached hereto and made a part hereof, in accordance with the rights reserved by Developer as contained in the Declaration of Condominium of Caribbean Warehouse Center Condominium recorded in the Public Records of Dade County, Florida and to perform the acts and duties incident to the administration, operation and management of such condominium in accordance with the terms, provisions, conditions and authorizations of these Articles of Incorporation, the Bylaws of the Association to be adopted (the "Bylaws") and in the formal Declaration of Condominium (the "Declaration") which will be recorded in the Public Records of Dade County, Florida, when the land and the improvements constructed thereof are submitted to the condominium form of ownership; and to own, operate, encumber, lease, sell, manage, convey, trade and otherwise deal with the land, the improvements and such other property, whether real and/or personal, as may be or become part of the Condominium (the "Condominium Property") to the extent necessary or convenient in the administration of the Condominium. The Association shall be conducted as a non-profit organization for the benefit of its members.

ARTICLE III

The powers of the Association shall include and be governed by the following provisions:

- A. All of the powers and privileges granted to corporations not for profit under the laws pursuant to which this corporation is chartered.

Condominium Property, including units, which may be necessary or convenient in the operation and management of the condominium and in accomplishing the purposes set forth in the Declaration. However, the Association may not charge a use fee against a unit owner for the use of common elements or association property unless otherwise provided for in the Declaration of Condominium or by a majority vote of the Association or unless the charges relate to expenses incurred by an owner having exclusive use of the common elements or association property.

3. Maintain, repair, replace, operate and manage the Condominium Property including the right to reconstruct improvements after casualty and further to improve and add to the Condominium Property.

Nothing in this subsection affects the minimum requirements of Florida Statute 718.104(4)(m) or the powers enumerated in subsection 6.
13. The Association shall use its best efforts to obtain and maintain adequate insurance to protect the Association, the association property, the common elements, and the Condominium property required to be insured by the Association pursuant to paragraph 14. The association shall obtain and maintain adequate fidelity bonding of all persons who control or disburse funds of the association. As used in this section, the term "persons who control or disburse funds of the association" means those individuals authorized to sign checks and the president, secretary and treasurer of the association. However, unless prior to

October, 1, 1986, the Association is required by the declaration to provide coverage therefore, the word "building" does not include unit floor coverings, wall coverings, or ceiling coverings and as to Contracts entered into after January 1, 1992, does not include the following equipment: electrical fixtures, appliances, air conditioning or heating equipment, water heaters, or built in cabinets. With respect to the coverage provided for by this paragraph, the unit owners shall be considered additional insured under the policy.

15. Every insurance policy issued to an individual unit owner shall provide that the coverage afforded by such policy is excess over the amount recoverable under any other policy covering the same property without rights of subrogation against the Association.
16. With respect to condominiums created on or after October 1, 1994, the bylaws shall include a provision granting the association a limited power to convey a portion of the common elements to a condemning authority for the purpose of providing utility easements, right-of-way expansion, or other public purposes, whether negotiated or as a result of eminent domain proceedings.

1. The proposed annual budget of common expenses shall be detailed and shall show the amounts budgeted by account and expenses classifications, including if applicable but not limited to, those expenses listed in F.S. 718.504.(20).

2. In addition to annual operating expense the budget shall include a reserve account for the capital expenditure and deferred maintenance for any item for which the deferred maintenance expense or replacement cost is greater than \$10,000.00 these accounts all include but not limited to roof, replacement, building painting and pavement resurfacing. The amount to be reserved shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expenses of each reserve item.

Unless changed by the Board the fiscal year of the Association shall be the calendar year. If any budget is subsequently amended, a copy shall be furnished to each effected member. Delivery of a copy of any budget or amended budget to a member shall not effect the liability of any member for any such budget or amended budget be considered as a condition precedent to effectiveness of the budget and assessments levied pursuant thereto. Nothing herein contained shall be construed as a limitation upon the additional assessment in the event that any budget originally adopted shall appear to be insufficient to pay cost and expenses or operation and management or in the event of emergencies.

C. A copy of the proposed annual budget of the association shall be mailed to the units owners not less than 14 days prior to the meeting of the board at which the budget will be considered, together with a Notice of the time and place of that meeting. Such meeting of the Board shall be open to unit owners. If the Bylaws or the Declaration provides that the budget may be adopted by the board of administration, the unit owners shall be given written notice of the time and place of the meeting of the board of administration which shall consider the budget. If a budget is adopted by the Board which requires assessment of the unit owners in any budget year exceeding 115% such assessment of the preceding budget year, upon written application of ten per cent of the unit owners, a special meeting of the units owners shall be held within 30 days, upon not less than 10 day's written notice to each unit owner. At which special meeting unit owners may consider and enact a budget. Unless the Bylaws require a larger vote, the adoption of the budget shall require a vote of not less than a majority of all the voting interest. The Board of Administration may propose a budget to the unit owners at a meeting of the members or in writing, and if the budget or proposed budget is approved by the unit owners at the meeting or by a majority of all the voting interest in writing, the budget shall be adopted.

D. In determining whether assessment exceed 115% of similar assessments in the prior budget year, there shall be excluded in the computation for reasonable reserves made by the Board in respect of repair and replacement of condominium property; provided however that so long as Developer is in control of the Board, the Board shall not impose an assessment for a budget year's assessment greater than 115% of the prior budget year's assessment without the approval of a majority of the whole number of votes of all unit owners.

E. Upon adoption of budgets, the Board shall cause a written copy thereof to be delivered to each unit owner. Assessments shall be established by the Board and in accordance with terms of the Declaration and the Articles. Unit Owners shall be liable to pay assessment not more often than monthly. Provided however, that the lien of lien rights of the Association shall not be impaired by failure to comply with procedures established pursuant to these bylaws.

F. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Board, in which all monies of the Association shall be deposited. Withdrawals of monies from such bank shall be only be checks signed by such persons as are designated by the Board.

G. A summary of the accounts of the Association shall be prepared annually and a copy of the report shall be furnished to each member not later than April first of the year following the year for which the report is made.

H. Fidelity bonds may be required by the Board from all officers employees, and/or agents of the Association handling or responsible for Association funds. The amount of such bonds shall be determined by the Board, but shall be at least the amount of the total annual assessment against members for common expenses. The premiums of such bonds shall be paid by the association.

I. The proposed annual budget of common expenses shall be detailed and shall show the amounts budgeted by accounts and expense classifications, including, if applicable, but not limited to, those expenses listed in s. 718.504(20). In addition, if the association maintains limited common elements with the cost to be shared only by those entitled to use the limited common elements as provided for in s. 718.113(1), the budget or a schedule attached thereto shall show amounts budgeted therefor.

J. In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance. These accounts shall include, but are not limited to, roof replacement, building painting, and pavement resurfacing, regardless of the amount of deferred maintenance expense or replacement cost, and for any other item for which the deferred maintenance expense or replacement cost exceeds \$10,000. The amount to be reserved shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of each reserve item. The association may adjust replacement reserve assessments annually to take into account any changes in estimates of extension of the useful life of a reserve item caused by deferred maintenance. This subsection does not apply to budgets in which the members of an association have, by a majority vote at a duly called meeting of the association, determined for a fiscal year to provide no reserves or reserves less adequate than required by this subsection. However, prior to turnover of control of an association by a developer to unit owners other than a developer pursuant to s. 718.301, the developer may vote to waive or reduce the funding of the reserves for the first two years of the operation of the association, after which time reserves may only be waived or reduced upon the vote of a majority of all nondeveloper voting interests voting in person or by limited proxy at a duly called meeting of the association. If a meeting of the unit owners has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves as included in the budget shall go into effect.

K. Reserve funds and any interest accruing thereon shall remain in the reserve account for authorized reserve expenditures, unless their use for other purposes is approved in advance by a vote of the majority of the voting interest, voting in person or by limited proxy. Also pursuant to same, prior to turnover of control of the association, pursuant to Section 718.301 of the Florida Statutes, the developer-controlled association shall not vote to use reserves for purposes other than that for which they were intended without the approval of the majority of all nondeveloper voting interests, voting in person or by limited proxy.

VII Parliamentary Rules

Robert Rules of Order shall govern the conduct of the corporate proceeding when not in conflict with the Articles, these Bylaws or the Laws of the State of Florida.

VIII Amendment to Bylaws

Amendments to these By Laws shall be proposed and adopted in the following manner:

A. Amendments to these Bylaws may be proposed by the Board, acting upon vote of a majority of the member or members of the association owning a majority of the units in the condominium whether meeting at a members meeting or by instruments in writing signed by them.

B. Upon any amendment or amendments to these Bylaws being proposed by the Board of member of the Association, such proposed amendment shall be transmitted to the president of the Association or acting chief executive officer in the absence of the President, who shall thereupon call a special meeting of the member for a date not sooner than twenty days not later than sixty days from receipt by such officer of the proposed amendment and it shall be the duty of the Secretary to give each member written or printed notice of such meeting in the same form and in the same manner as notice of the call of a special meeting of the members is required as herein set forth; provided that proposed amendment to the bylaws may be considered and voted upon at annual meeting of the members.

C. In order for such amendment to become effective, the same must be approved by an affirmative vote of the owners of units to which not less than seventy five per cent of the common elements are appurtenant and a copy of such amendment to these bylaws shall be transcribed, certified by President and Secretary of the Association and a copy thereof shall incorporated into and Amendment of the Declaration and recorded in the Public Records of Dade County, Florida within thirty days from the date of which amendment have been affirmatively approved by the members.

F. Notwithstanding the foregoing provision of this Articles IX no amendment to these bylaws which shall abridge, amend or alter the right of the Developer to designate members of each Board of Administration as provided in these bylaws may be adopted or become effective without the written consent of the Developer.

IX Mandatory Nonbinding Arbitration of Disputes

The division of Florida Land Sales, Condominiums, and Mobile Homes of the Department of Business and Professional Regulation shall employ full-time arbitrators to conduct the arbitration hearings provided by this chapter. No person may be employed by the department as a full-time arbitrator unless he is a member in good standing of The Florida Bar. The department shall promulgate rules of procedure to govern such arbitration hearings. The decision of an arbitrator shall be final; however, such a decision shall not be deemed final agency action. Nothing in this provision shall be constructed to foreclose parties from proceeding in a trial de novo. If such judicial proceedings are initiated, the final decision of the arbitrator shall be admissible in evidence.

A. Prior to the institution of court litigation, the parties to a dispute shall petition the division for nonbinding arbitration which action shall toll the applicable statute of limitations.

B. At the request of any party to the arbitration, such arbitration shall issue subpoenas for the attendance of witnesses and the production of books, records, documents, and other evidence and any party on whose behalf a subpoena is issued may apply to the court for orders compelling such attendance and production. Subpoenas shall be served and

shall be enforceable in the manner provided by the law.

C. The arbitration decision shall be presented to the parties in writing. An arbitration decision shall be final if a complaint for a trial de novo is not filed in a court of competent jurisdiction within 30 days. The right to file for a trial de novo entitles the parties to file a complaint in the appropriate trial court for a judicial resolution of the dispute. The prevailing party may be awarded reasonable attorney's fees.

D. The party who files a complaint for a trial de novo shall be assessed the other party's arbitration costs, court costs, and other reasonable costs, including attorney's fees, investigation expenses, and expenses for expert or other testimony or evidence incurred after the arbitration hearing if the judgement upon the trial de novo is not more favorable than the arbitration decision. If the judgement is more favorable, the party who filed the complaint for trial de novo shall be awarded reasonable court costs and attorney's fees.

E. Any party to an arbitration proceeding may enforce an arbitration award by filing a petition in the circuit court for the circuit in which the arbitration took place. A petition may not be granted unless the time for appeal by the filing of a complaint for trial de novo has expired. If a complaint for a trial de novo has been filed, a petition may not be granted with respect to an arbitration award that has been stayed.

X Certificate of Compliance

A certificate of compliance from a licensed electrical contractor or electrician may be accepted by the association's board as evidence of compliance of the Condominium units to the Condominium Fire and Life Safety Code, 718.112.

XI Assessments

Assessments shall be made against units monthly in an amount which is not less than that required to provide funds in advance for payment of all of the anticipated current operating expenses and for the all of the unpaid operating expenses previously incurred pursuant to the operating Budget. The amount to be collected monthly during the first year of the association is \$64.00 per month. Nothing in this paragraph shall preclude the right of an association to accelerate assessments of an owner delinquent in payment of common expenses. Accelerated assessments shall be due and payable on the date the claim of lien is filed. Such accelerated assessments shall include the amounts due for the remainder of the budget year in which the claim of lien was filed.

Assessments; liability; lien and priority; interest; collection

A. **Lien for Assessment:** A unit owner, regardless of how his title has been acquired, including a purchaser at a judicial sale, is liable for all assessments which come due while he is the unit owner. The grantee is jointly and severally liable with the grantor for all unpaid assessments against the grantor for his share of the common expenses up to the time of transfer of title without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee. A first mortgagee who acquires title to the unit by foreclosure or by deed in lieu of foreclosure is liable for the unpaid assessments that became due prior to the mortgagee's receipt of the deed. However, the mortgagee's liability is limited to a period not exceeding six months, but in no event does the first mortgagee's liability exceed one percent (1%) of the original mortgage debt. The first mortgagee's liability for such expenses or assessments does not commence until thirty days after the date the first mortgagee received last payment of principal or interest. In no event shall the mortgagee be liable for more than 6 months of the unit's unpaid common expenses or assessments accrued before the acquisition of the title to the unit by the mortgagee or one percent of the original mortgage debt, whichever amount is less.

B. The liability for assessments may not be avoided by waiver of the use or enjoyment of any common element or by abandonment of the unit for which the assessments are made.

C. Assessments and installments on them which are not paid when due bear interest at the rate provided in the declaration, from the due date until paid. This rate may not exceed the rate allowed by law, and, if no rate is provided in the declaration, interest shall accrue at the rate of 18 percent per year. Also, if the declaration or bylaws so provide, the association may charge an administrative late fee in addition to such interest, in an amount not to exceed the greater of \$25 or 5 percent of each installment of the assessment for each delinquent installment that the payment is late.

Any payment received by an association shall be applied first to any interest accrued by the association, then to any administrative late fee, then to any costs and reasonable attorney's fees incurred in collection, and then to the delinquent assessments. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment. A late fee shall not be subject to the provisions in chapter 687 or s. 718.303(3).

The association has a lien on each condominium parcel for any unpaid assessments with interest and for reasonable attorney's fees incurred by the association which are incident to the collection of the assessments or enforcement of lien. Except as set forth below, the lien is effective from and shall relate back to April 1, 1992, or the recording of the original declaration of condominium, whichever shall last occur. In the case of lien on a parcel located in a phase condominium created pursuant to s. 718.403, the lien is effective from and shall relate back to April 1, 1992, or the recording of the declaration or amendment thereto creating the parcel, whichever shall last occur. However, as to first mortgages of record, the lien is effective from and after recording of a claim of lien. The lien shall be recorded in the public records in the county in which the condominium parcel is located which states the description of the condominium parcel, the name of the record owner, the name and address of the association, the amount due, and the due dates. No such lien shall continue for a longer period than 1 year after the claim of lien has been recorded unless, within that time, an action to enforce the lien is commenced in a court of competent jurisdiction. The claim of lien shall secure all unpaid assessments, interest, costs, and attorney's fees which are due and which may accrue subsequent to the recording of the claim of lien and prior to entry of a final judgement of foreclosure. A claim of lien must be signed and acknowledged by an officer or agent of the association. Upon payment, the person making the payment is entitled to a satisfaction of the lien.

The association may bring an action in its name to foreclose a lien for assessments in the manner a mortgage of real property is foreclosed and may also bring an action to recover a money judgement for the unpaid assessments without waiving any claim of lien. The association is entitled to recover its reasonable attorney's fees incurred in either a lien foreclosure action or an action to recover a money judgement for unpaid assessments.

No foreclosure judgements may be entered until at least 30 days after the association gives written notice to the unit owner of its intention to foreclose a lien to collect the unpaid assessments. If this notice is not given at least 30 days before the foreclosure action is filed, and if the unpaid assessments, including those due after the claim of lien is recorded, are paid before the entry of a final judgement of foreclosure, the association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the unit owner or by certified or registered mail, return receipt requested, address to the unit owner at his last known address; and, upon such mailing, the notice shall be deemed to have given, and the court shall proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this subsection are satisfied if the unit owner records a Notice of Contest of Lien as provided in subsection (5). The notice requirements of this subsection do not apply if an action to foreclose a mortgage on the condominium unit is pending before any court; if the rights of any association would be affected by such foreclosure; and if actual, constructive, or substitute service of process has been made on the unit owner.

If the unit owner remains in possession of the unit after a foreclosure judgement has been entered, the court, in its discretion, may require the unit owner to pay a reasonable rental for the unit. If the unit is rented or leased during the pendency of the

foreclosure action, the association is entitled to the appointment of a receiver to collect the rent. The expenses of the receiver shall be paid by the party that does not prevail in the foreclosure action.

The association has the power to purchase the condominium parcel at the foreclosure sale and to hold, lease, mortgage, or convey it.

A first mortgage acquiring title to a condominium parcel as a result of foreclosure, or a deed in lieu of foreclosure, may not, during the period of ownership of such parcel, whether or not such parcel is unoccupied, be excused from payment of some or all of the common expenses coming due during the period of such ownership.

Within 15 days after a request therefor by unit owner or unit mortgagee, the association shall provide a certificate stating all assessments and other moneys owed to the association by the unit owner with respect to the condominium parcel. Any person other than the owner who relies upon such certificate shall be protected thereby.

The specific purpose or purposes of any special assessment approved in accordance with the condominium documents shall be set forth in a written notice of such assessment sent or delivered to each unit owner. The funds collected pursuant to a special assessment shall be used only for the specific purpose or purposes set forth in such notice. However, upon completion of such specific purpose or purposes, any excess funds will be considered common surplus, and may, at the discretion of the board, either be returned to the unit owners or applied as a credit toward future assessments.

XII Transfer of Association Control

A. When unit owners other than the developer own 15 percent or more of the units in a condominium that will be operated ultimately by an association, the unit owners other than the developer shall be entitled to elect no less than one-third of the members of the board of administration of the association. Unit owners other than the developer are entitled to elect not less than a majority of the members of the board of administration of an association:

1. Three years after 50 percent of the units that will be operated ultimately by the association have been conveyed to purchasers;
2. Three months after 90 percent of the units that will be operated ultimately by the association have been conveyed to purchasers;
3. When all the units that will be operated ultimately by the association have been completed, some of them have been conveyed to purchasers, and none of the others are being offered by sale by the developer in the ordinary course of business;
4. When some of the units have been conveyed to purchasers and none of the others are being constructed or offered for sale by the developer in the ordinary course of business; or
5. Seven years after recordation of the declaration of condominium; or, in the case of an association which may ultimately operate more than one condominium, 7 years after recordation of the declaration for the first condominium it operates; or, in the case of an association operating a phase condominium created pursuant to s. 718.403, 7 years after recordation of the declaration creating the initial phase, whichever occurs first. The developer is entitled to elect at least one member of the board of administration of an association as long as the developer holds for sale in the ordinary course of business at least 5 percent, in condominiums with fewer than 500 units, and 2 percent, in condominiums with more than 500 units, of the units in a condominium operated by the association. Following the time the developer relinquishes control of the association, the developer may exercise the right to vote any developer-owned units in the same manner as any other unit owner except for purposes of reacquiring control of the association or selecting the majority

members of the board of administration.

B. At the time unit owners other than the developer elect a majority of the members of the board of administration of an association, the developer shall relinquish control of the association, and the unit owners shall accept control. Simultaneously, or for the purposes of paragraph (c) not more than 90 days thereafter, the developer shall deliver to the association, at the developer's expense, all property of the unit owners and of the association which is held or controlled by the developer, including, but not limited to, the following terms, if applicable, as to each condominium operated by the association:

1. The original or photocopy of the recorded declaration of condominium and all amendments thereto. If a photocopy is provided, it shall be certified by affidavit of the developer or an officer or agent of the developer as being a complete copy of the actual recorded declaration.

D. The financial records, including financial statements of the association through the date of the turnover. The records shall be audited for the period from the incorporation of the association or from the period covered by the last audit, if applicable, by an independent certified public accountant. All financial statements shall be prepared in accordance with generally accepted auditing standards, as prescribed by the Florida Board of Accountancy, pursuant to chapter 473. The accountant performing the audit shall examine to the extent necessary supporting documents and records, including the cash disbursements and related paid invoices to determine if expenditures were for association purposes and the billings, cash, receipts, and related records to determine that the developer was charged and paid the proper amounts of assessments.

E. Association funds or control thereof.

F. All tangible personal property that is property of the association, which is represented by the developer to be part of the common elements or which is ostensibly part of the common elements, and an inventory of that property.

If the condominium property has been declared a condominium more than 3 years after the completion of construction or remodeling of the improvements, the requirements of this paragraph do not apply.

H. A list in the names and addresses, of which the developer had knowledge at any time in the development of the condominium, of all contractors, subcontractors, and

XIII Right to Retain Control
